

RIVER OF FOCUS

OHIO 2021

Allegheny CleanWays

This fall, Allegheny CleanWays will conduct 2+ weeks of focused river cleanups on the Ohio River, in Allegheny County. Our crew will live in houseboats and caravan our fleet along the Ohio River, spending their days alongside groups of volunteers from the local communities removing debris from the river & riverbanks. Join us! Jump aboard our boat, the Rachel Carson, to do your part to keep our our community clean & healthy.

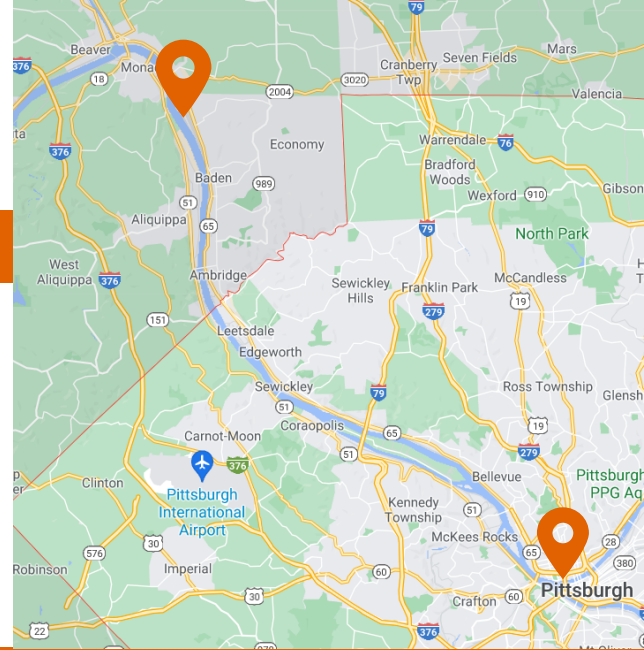

2021 OHIO RIVER CLEANUP SERIES

September 6 - 23, 2021

Community Partners & Cleanup Locations

Our crew will begin their sojourn at Point State Park in Pittsburgh. As they travel, they will meet up with volunteer groups along the banks of both sides of the Ohio. Their journey will end just as the fleet crosses the border into Beaver County. Then it will be time to return home and, with the help of additional volunteers, process all of the debris collected during the series.

ALLEGHENYCLEANWAYS.ORG/VOLUNTEER-OPPORTUNITES

DID YOU KNOW?

The Ohio River is a source of drinking water for more than 3 Million people.

We are always looking for new partners in the fight to keep our rivers clean & healthy!

HOW YOU CAN HELP

- Sign up & volunteer at public events.
contact: hannah@alleghenycleanways.org
- Donate food/ drinks/ supplies for our volunteers.
- Own a business? Sponsor this Ohio River Series. Benefits include: employee volunteer opportunities, social media & web recognition, & your logo displayed for all to see on our fleet!
